

The Your Cooperative

Are you still wondering what this home-care cooperative could mean to you??

Please join other caregivers, who are directors of the cooperative, on November 29 at a membership meeting and find out! (*Some of these directors said they threw their first notice of the coop away, a year ago when we first began working on it!!*)

Membership Meetings will be held at:

From 1:00 pm – 2:30 pm

And again from 6:30 pm – 8:00 pm

Pick the time that works for you.

The Your Cooperative is a newly developing worker-owned home care business. Caregivers will:

- ❖ Find support among other caregivers
- ❖ Keep what you have and get more!
- ❖ Be a part of planning the care you provide
- ❖ Let your voice be heard!

Please call 123-4567 to let us know which meeting you can attend.

Reasonable accommodations will be made when requests are made with enough notice to meet those needs.
